Clinical Experience

June 2011 to Current:

Private Practice

ASJ Family Counseling Center Inc.

Duties: Assess, diagnose, and prepare treatment plans for children and adolescents, adults, couples, and families across various ethnic groups. I provide therapy to those experiencing grief, anxiety, depression, low self esteem, low or failing grades, divorce issues, anger management, addictions such as drinking, drugs, gambling, sex, and shopping compulsions and more. I utilize Cognitive Behavioral Therapy, Object Relations Therapy, and Systems Therapy primarily and have goal-centered therapy in as little as ten sessions.

September 2011 to May 2012: Post-Doc

Children's Center of the Antelope Valley

Supervisor: Clive Kennedy, Ph. D.

Duties: Assessed, diagnosed, and prepared treatment plans for individual children and adolescents across various ethnic groups. I provided individual therapy weekly to children who may have been court-ordered and also worked with DCFS or were on Medi Cal. I provided family therapy when necessary and worked with a team that provided necessary and beneficial support for the family such as tutoring for school, food, shelter, childcare, parenting classes, psychiatric assistance, and much more. I utilized DMH paperwork had a minimum of 20 clients weekly.

September 2009 to August 2010: APA Internship

Children's Institute Inc.

Supervisor: George Bermudez, Ph. D and Steve Ambrose, Ph.D.

Duties: Assessed, diagnosed and provided individual and group therapy for children, adolescents, and their families across various ethnic groups, provided individual therapy for children ages 2-5 within LAUL Head Start, provided individual and family therapy within the home and in office settings, participated in individual and group supervision, received training in different psychological testing methods, co-facilitator in ADHD group weekly, involved in treatment planning with treatment teams, utilized DMH paperwork, trained in Trauma Focused Cognitive Behavioral Therapy (TF-CBT).

September 2007 to June 2008: Psy. D. Practicum Student

Claremont Unified School District

Supervisor: Raymond Scott, Ph.D. and Christopher Liang, Ph.D.

Duties: Assessed, diagnosed, and provided individual and group therapy for individuals across various ethnic groups within two local elementary schools, provided family therapy when necessary, participated in individual and group supervision, received training in different psychological testing methods, involved in treatment planning.

January 2007 to June 2007: Psy. D. Practicum Student

City of Claremont, Youth and Family Services Division - Claremont, California.

Supervisor: Jerry Kernes, Ph.D. and Christopher Liang, Ph.D.

Duties: Provided individual therapy for youths ages 4-16 across various ethnic groups, participated in individual and group supervision, received training in brief psychotherapy, involved in treatment planning.

September 2006 to December 2006: Psy. D. Practicum Student

Families in New Directions, Los Angeles, California.

Supervisor: Karen MacDonald, Ph.D.

Duties: Provided individual therapy for adults and children and couples therapy across various ethnic groups, facilitated anger management group therapy for individuals presenting with domestic violence issues, facilitated parenting group therapy, conducted intakes, involved in treatment planning and consulted with others in group supervision.

February 2006 to May 2006: Teaching Assistant

University of La Verne, La Verne, California.

Supervisor: Sharon Davis, Ph.D.

Duties: Assisted senior psychology students in their undergraduate thesis class around qualitative research methodology. This included editing duties and facilitating rehearsals for their oral thesis presentation.

January 2004 to May 2005: MFT Trainee and Intern

Valley Counseling - Encino, California.

Supervisor: Bobbie Eckstein, L.M.F.T.

Duties: Provided individual therapy for adults and children and couples therapy across various ethnic groups, conducted intakes, involved in treatment planning and consulted with others in group supervision.

January 2004 to June 2004: MFT Trainee
